Target: Pig and Turkey

No. of Rounds required: 40 for Competition plus sighters

Distances: 300 yards (Pig and Turkey)

Max. Competition Score: 40 points

Squading Time: 30 minutes per target

Course of Fire: This match requires you to shoot 20 consecutive rounds to score at each of the 2 silhouette targets in the allocated time. You may fire as many sighters as you deem necessary or prudent prior to your 20 rounds for score at each target. The only restriction is that you have 30 minutes to complete this in total. Once you are satisfied with your sighting and wish to start to shoot for score it is your responsibility to ensure that the scorer is aware of this and is ready to mark your score card. Each shot, sighter and competition, will be scored and fall of shot indicated. At the end of your 20 scoring shots or 30 minute squad, whichever comes first, you will be asked to countersign your score card. Your time for completion (from the beginning of your squading time) will also be recorded and may be used in the event of a tie.

Artificial Support: Only crossed-sticks are allowed as rests for this match.

Please present yourself at the firing point at least 20 minutes before the start of your allotted shooting time. You will be expected to be ready to shoot the moment that your squading time begins so set up your equipment during the preceding shooters string. Please take care not to distract the active competitor - it's your turn next!
